Women's Leadership

Dr Catherine Norton challenges women to realise their potential and become effective leaders in their personal and professional lives.

Dr Catherine Norton has presented workshops on Women's Leadership all over the world.

She has visited and worked in the Middle East extensively.

Participants find her seminars valuable and life-changing.

The special interactive program focuses your attention on what you need to do to become a better leader and how you can help others.

You will learn to

- ✓ Set your own goals.
- ✓ Identify leadership tasks that you need to do to become a better leader.
- ✓ Become a role model for others.
- ✓ Think strategically to achieve your goals.

- ✓ Plan and prepare for your leadership responsibilities.
- ✓ Understand cultural issues relating to leadership.

Who should attend

Women working in Ministries, Charity and Community Organizations and the Private Sector interested in progressing their careers and helping others.

For example, managers, committee executives, administrators and business owners.

What to expect

There will be panel discussion, key speakers and group discussions from which you will learn.

The focus will be on ways to bring leadership into your life and work.

Those wishing to play a more active role in creating the workshops will have the opportunity.

Benefits of attending

The **Women's Leadership** program provides an environment for women to learn from each other and to learn the latest techniques to become better leaders.

We guarantee you will:

- ✓ Review your approach to leadership.
- ✓ Learn how to become a more effective leader.
- ✓ Network and make new friends and learn from other women leaders.
- ✓ Apply leadership principles to your own life, organisation, or business.
- ✓ Have the ability to ask questions and receive feedback.
- ✓ Advance yourself.
- ✓ Learn how to present your self as a strong woman.
- ✓ Have fun.
